

REMARKS

Reexamination and reconsideration of the application is requested.

The Examiner rejected Claims 1-13 under the judicially created doctrine of double patenting. As suggested by the Examiner, a Terminal Disclaimer regarding copending Application Serial No. 09/849,095, which is co-owned by the Applicant, is attached along with the required fee.

In view of the above, reconsideration and allowance of this application is respectfully solicited.

Respectfully submitted,

George L. Williamson
